

CL-14-51 Rmw-2

Dear Judge White

FILED  
JAN 12 2016  
CLERK U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE

I take full responsibility for my actions  
And for them I am sorry.

I understand that what I did was wrong,  
not only what I did in this case but  
also what I've done in prior cases.

I have a history of abusing women and drug  
and drug abuse. That really needs to change.  
This case has taught me respect for women;  
Therefore I intend to move forward with a different  
mindset.

The time I've spent in jail has allowed me  
to make a plan for change. I've developed faith  
in God which I never had prior to this case.  
I plan to be a minister, work as a salesman  
for an insurance company, and also utilize my  
singing capability to send a positive message  
to the masses.

"Judge White," I'll accept whatever sentence you give  
me, but I want you to know I'm ready to  
lead a better life. From Demontae Toliver  
Be well
